

# In the Court of Appeals of the State of Alaska

**Korakanh Phornsavanh,**  
Appellant,

v.

**State of Alaska,**  
Appellee.

---

Trial Court Case No. **3AN-13-06468CR**

Court of Appeals No. **A-12499**

## **Order**

Motion to Extend Time to File  
Memorandum on Remand

Date of Order: **8/25/2021**

The State of Alaska's memorandum addressing the trial court's decision to grant the Appellant a new trial was due August 16, 2021. The State filed a timely request for an extension of 30 days, or — if this Court grants the State's currently pending request to remand this case to the superior court for findings concerning that court's decision to grant Appellant a new trial — 30 days following the completion of that remand, within which to file its memorandum in this case. The State informs the Court that the Appellant objects to the extension of time.

### IT IS ORDERED:

1. The State's motion for an extension of time is **GRANTED**.

a. If this Court denies the State's pending motion for a remand, then the State's memorandum is due on or before **9/15/2021**.

b. If this Court grants the State's pending motion for a remand, then the State's memorandum is due 30 days after the superior court issues its additional findings upon completing that remand.

August 25, 2021 - p. 2

2. Because of the age of this case, and because this Court has ordered the post-remand proceedings expedited, no further extensions of time will be allowed.
